Health Safety and Environmental Management The Compliance Consultancy

Case Study
AIR BP

Overview;

OHS have worked over the past years with Air BP at a variety of locations across the UK carrying out Asbestos Inspections and Re-Inspections on Air BP premises under CAR2006 to ensure compliance to HSE Standards

Amongst the sites covered are:

- Aberdeen Airport
- Belfast International Airport
- Birmingham International Airport
- Cardiff International Airport
- East Midlands International Airport
- Edinburgh Airport
- Glasgow International Airport
- Leeds Bradford Airport
- Manchester Airport
- Prestwick Airport
- Samburgh Airport
- Walton Airport
