### Health Safety and Environmental Management The Compliance Consultancy

Case Study  
Humber NHS Foundation Trust

*'Delivering the vision'  
An incident and injury free  
environment for all OHS  
clients*

Humber **NHS**  
NHS Foundation Trust  
improving health and wellbeing

Humber NHS Foundation Trust has been rated 'excellent' for the second year running for the quality of services it provides and 'good' for the quality of their financial management .

The assessment was made by the NHS watchdog, the Care Quality Commission, in its annual health check rating

OHS were pleased to win the Tender to Provide the Trust with;

Water Hygiene and Legionella Management Services

These include a Management Review of all present policies and control systems, full Risk Assessments and Audits of all sites and the development of strategies and appropriate training programmes to make the trust fully compliant thus safeguarding patients, staff, suppliers and the public.
